### **10:15am – 11:15am: The Story Behind the Cut - A Post Production Essential (ROOM\_\_117)**

When and why to make a cut is the foundation of any post-production project and will inevitably shape your story and engage audiences. This workshop, presented by David Smith, a film & media professor at the University of North Georgia, will introduce participants to editing aesthetics, and will explore editing rhythms, timing, creating new space, and many of the fundamentals that will help you shape the story behind your next project. Digital handouts and resource information will be made available.

**Presenters:** *David Smith (University Of North Georgia Professor)*

### **10:15am – 11:15am: The Actor's Blueprint – Just what You Need To Know (ROOM 118)**

This panel discussion, featuring working industry professionals, actors and casting directors who's list of projects range from The Red Band Society, The Dark Knight Rises, Devious Maids, Tom Cruise's Valkyrie, Jake Gyllenhaal's Jarhead, and more are ready to deliver the truth about what it takes as an actor to maneuver through a tough industry.

**Presenters:** *Veronika Lee Daddona (Backstage,) Sarah Adela, Brandon NeSmith*

### **11:30am – 1:00pm: Actor Monologue Showcase Competition (Main Showroom)**

The Southeast's most talented Actors/Actresses will be set to showcase their best performances and wow the audience and judges with an engaging monologue where they can be in full character, wardrobe, makeup and more. Looking for lead talent for your next project? This is where you need to be! All conference attendees will get to see their performances.

**Presented By:** *Backstage, 60 Seconds To Stardom*

### **11:30pm – 12:30pm: Storytelling Through Sound & Music (ROOM\_\_118)**

If done right, sound can surround you, pull you in and convey ever emotion imaginable. It can even help transcend a mediocre film into one that audiences can truly relate to and connect with. This workshop will focus on the true essence of film scoring and what to think about when creating the best sound for your projects.

**Presenters:** *Dr. Rob Albertson, Others TBA*

### **11:30pm – 12:30pm: A Filmmakers Guide To Equipment, Workflows & New Technology - A Presentation by Innocinema (ROOM\_\_117)**

Led by Justin Goff, owner and founder of Innocinema, an authorized film industry dealer with over 13,000 products and 80 brands, this workshop will help filmmakers obtain valuable knowledge in the processes and workflows of new technology that will help you deliver higher production value on your productions while also saving you time and money.

**Presenters:** *Justin Goff (Innocinema)*

### **12:45pm – 1:45pm: Where's The Money!?! Filmmaking Incentives, Crowd-funding & The Law (ROOM 117)**
